

MAQUINON

100% GARNATXA

MAQUINON 2015

100% Garnacha Negra - D.O.Q Priorat

Electric, with marked mineral notes coming from the Llicorella of the Priorat. Intense nose with hints of exotic oriental spices. Candied fruit and memories of Mocca.

It is the terroir, the purity taken to the limit on our 100% Garnacha Negra, one of the few in the world biodynamic certified by Demeter.

Winemaker comments: José Luis Gómez, Laura Muñoz, Joan Martí.
