“A kaleidoscope full of sensations”

Mineral-accented orange, lemon and fennel aromas are complicated by notes of honeysuckle and white pepper. A sappy sharply focused midweight with good bite to its citrus and herbal flavors. Shows vibrant citrus and mineral notes on the long, tangy finish.

Drink between 8 - 10°C

Macabeu from old vase vineyards (36 to 95 years old) in a calcareous and franc-clay soil.

Hand harvested and cooled after selection table.

Long fermentation at a temperature of 16°C.

10% of wine ferments and ages 3 months “sur lies”, in new French oak barrels, working the main part with lies.

13 % alcohol by vol.
