## 2015 Cabernet Merlot VQA

### Wine Profile:

This classic Cabernet Merlot blend is loaded with ripe raspberry and cherry characteristics.

A delicious fruit forward, nicely balanced wine with soft and well integrated black cherry, cassis and hints of licorice.

### Food Pairing:

Grilled and roasted meats: beef, lamb, venison and game are all great matches with this easy going red wine. Big enough mouth feel to match a rare steak and gentle enough on the tannins to handle grilled vegetables.

### Winemaking Notes:
