## 2016 Pinot Grigio VQA

### **Wine Profile:**

This Pinot Grigio is an absolute joy to drink! The pretty bouquet of, peach, honey, banana and flowers give way to fresh apple, mineral and spice on the refreshing palate. Put a good chill to it and enjoy this summer/autumn on the patio or with grilled fish drizzled topped with lemon.

### **Food Pairing:**

Light appetizers, chicken and other poultry dishes, fish and seafood. A refreshing sipping wine.
