2014 Lucas & Lewellen Cabernet Franc

New product from a great producer!

Region: Santa Barbara County
Valley View Vineyard, Santa Ynez Valley

Grape variety: 100% Cabernet Franc

Alcohol: 14.5% by Vol.

Production technique:

Using punch down techniques during fermentation, this wine also spends 24 months aging in French barrique. This is 100% Estate sourced fruit and there are only 200 cases of this wine produced!

Characteristics:

Cabernet Franc is a very old variety which is still dominant in parts of the Loire Valley and Bordeaux. Warm summer temperatures allowed these grapes to fully ripen, giving this wine color, body, flavor and aroma. This Cabernet Franc is a beautiful deep ruby color and slightly oaky. It exhibits themes of warm earth, doark chocolate, and sage followed by ripe, chewy tannins and a long rich finish.

Suggestions: Excellent with bone-in steaks, gamey meats, rich sauces & pleasurable to open with barbecue or summer evenings!

Ideal serving temperature: 16° C

Availability: Consignment cases of 12
