Toronto FC MLS Cup Champions 2017 Limited Edition Etched Bottle

California Central Coast Cab & Mendocino Merlot

Officially licensed and Limited Edition!

We are pleased to bring you the Toronto MLS Cup Champions 2017 Collectors Edition bottle. Hand etched & hand painted, this bottle is a true piece of art work and sports memorabilia, providing a quality that sports fans love and cherish, and a gift that is sure to please any die-hard fan.

Mano's, the supplier of these keepsake celebratory bottles, creates them for MLS and MLB champions yearly, and 2017 was the year for our Toronto FC! Once these are gone, no more will be produced until our team are again champions.

This handcrafted Reserve is a happy marriage of Central Coast Cabernet Sauvignon and Monterey Merlot. Aged for 15 months in a combination of French and American Oak, this Bordeaux-style blend shows soft tannins, ripe cassis, chocolate and berry flavors. These flavors create a medium bodied, dry red with a smooth finish that is sure to leave your palate pleased. It pairs great with grilled meats, BBQ and any other game day foods!

Get yours before they are gone!
